NOTE: The listing of schools in the *Record Book* includes the city, the name of the high school, and the state. In cases where the city and the name of the high school are the same, just the city and state are listed. (Example: Chicago Brother Rice, IL, refers to Brother Rice High School in Chicago, Illinois. El Segundo, CA, refers to El Segundo High School in El Segundo, California.)

All ties are listed in chronological order with the most recent performance listed highest. If ties remain after applying that policy, the record holders are listed alphabetically by town name in the case of team records and by the individual's last name in the case of individual records.

All listings in this book are current through the 1981-82 school year.

The National Records Committee has set forth policy establishing an athletic season as the season in which there is state tournament competition or, in the case of a state holding dual state tournaments, the season in which most of the country is holding competition. An athletic career is limited to four of these seasons.

FOREWORD

The National Federation of State High School Associations welcomes you to the fifth edition of the **National High School Sports Record Book**. As the organizations responsible for protecting and promoting high school athletic programs in the United States, the National Federation and its membership acknowledge an obligation to make this publication available.

The **National High School Sports Record Book** will bring proper recognition to high school boys and girls, coaches and teams who have achieved outstanding performances in interscholastic athletic competition. The National Federation believes such recognition helps stimulate interest in high school athletic programs and motivates other competitors to improve their skills. Moreover, National Federation guidance of the national interscholastic records program will assure that only deserving teams and individuals will lay claim to national records.

The National Federation Records Committee oversees the interscholastic records program. The committee, which meets annually in July, forms policy which it believes is necessary to make the records program reliable and the records authentic. Occasionally, new policies have required deletion of performances which appeared in previous editions. The National Federation invites information which may lead to additional records listings or corrections of existing listings.

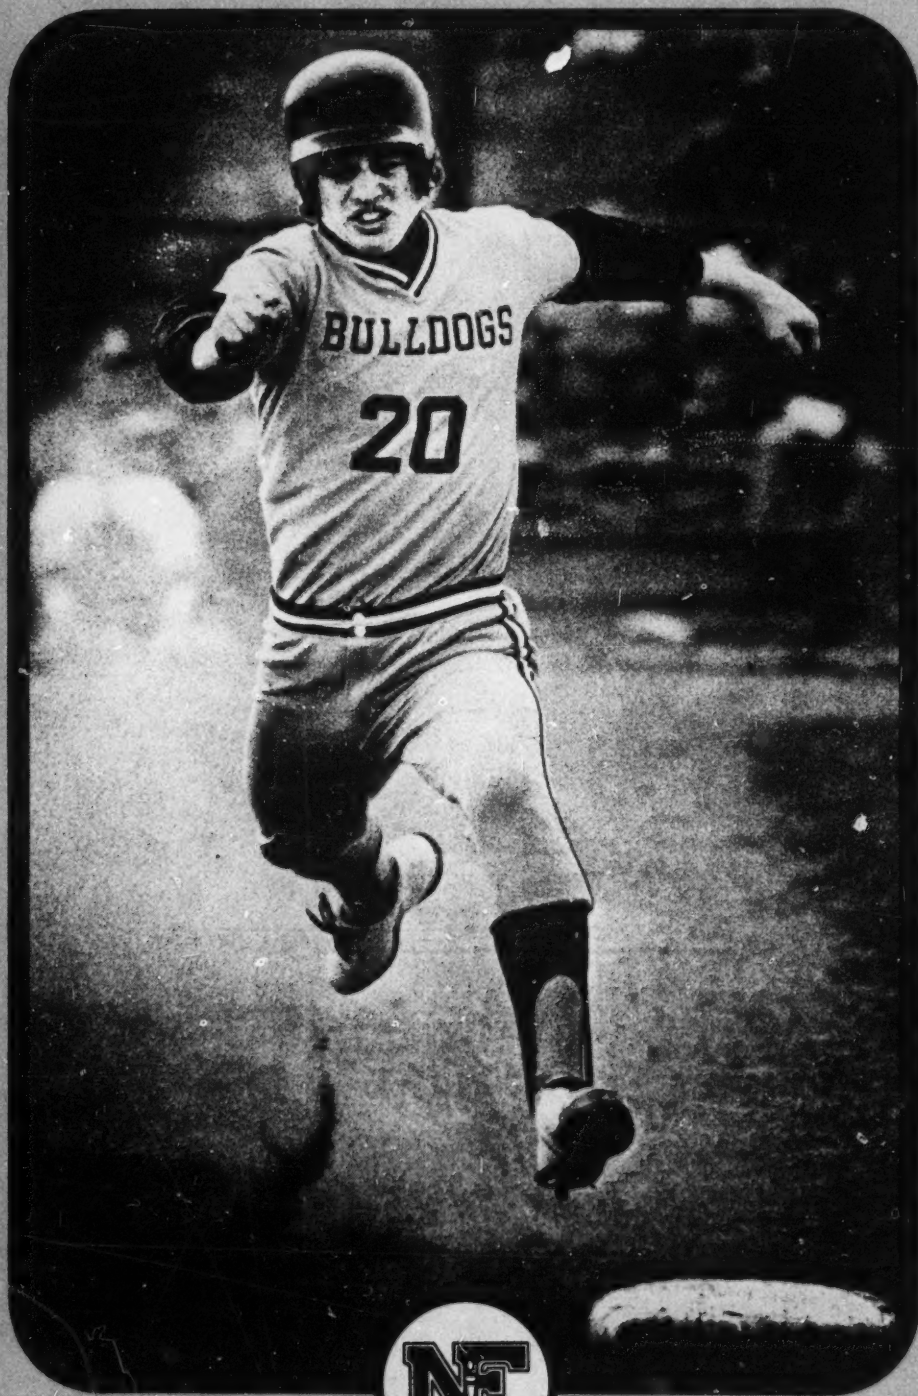

The National Federation would like to express its sincere thanks and appreciation to the many people who helped in the gathering of material contained in the 1983 edition of the **Record Book**.

A list of credits for photographs and other material contained in this fifth edition follows the records listings.

OFFENSIVE MINDED — Two of the nation's top team offensive shows last year came from Douglass Coffee, GA (top) and Beecher City, IL. En route to a 32-1 record and a state championship, Coffee pounded out a .370 team average and earned national ranking in four offensive departments. Beecher City hitters produced a lofty .413 average, the fourth best in history, while averaging 11.3 runs per game in '82.

Major stockholder in the prep record book

Dave Clyde was a prep phenomenon. He was once listed in 14 separate categories in the *National High School Sports Record Book* and his name still permeates the pitching categories.

Clyde is listed among the pitching leaders in 10 categories and heads the national listing in five departments. His 842 career strikeouts are over 250 more than runner-up Larry Knight of Chattanooga (TN) Lookout Valley and he is the only hurler in prep history to register over 300 strikeouts in a season.

Clyde's true dominance is shown in the number of times he is repeated. The Houston Westchester star is the only prep hurler to be listed twice for most shutouts in one season and most consecutive shutouts. His 327 and 251 strikeout totals from 1973 and 1972, respectively, rank first and fifth in the seasonal strikeout category.

No less than 43 times did Clyde strike out 10 or more batters in the 61 games he started. Only four times over the last two years of his career did he allow five or more hits.

Prep baseball's first ace

Few high school performers have ever showcased their talents in as dramatic a fashion as **Ken Beardslee**, pitching great from **Vermontville, Michigan**.

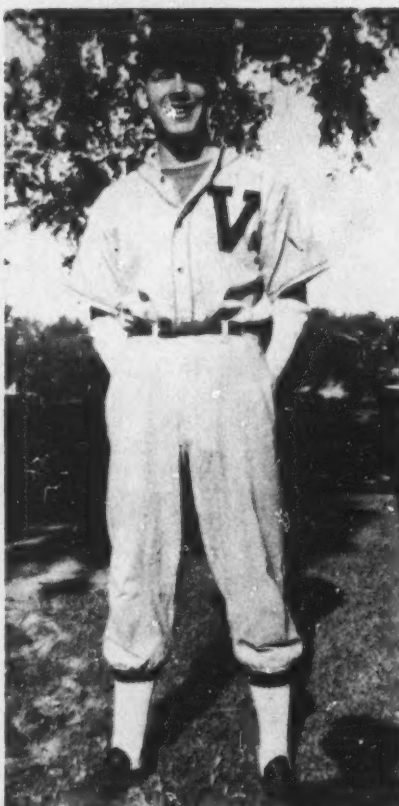

During his short 25-game high school career he struck out 452 hitters, won 24 of 25 pitching decisions, tossed eight no-hitters and two perfect games. His lone setback was also a demonstration of pitching brilliance as he dropped a 1-0 verdict his senior year.

The Michigan strikeout artist averaged better than 18 strikeouts a game and in 1949 averaged over 19 whiffs a game, striking out 209 in only 11 contests. He once set down 25 hitters on strikes in a 10-inning triumph over Holt. Another of his top strikeout performances came in a one-hitter when he registered 20 K's against Saranac and in a no-hit effort against Pottsville he chalked up 19 strikeouts.

The prep standout went on to sign for \$6,000 with the **New York Yankees** in 1949, the same year the **Bronx Bombers** garnered the signature of another up-and-coming young star from Missouri — a fellow by the name of **Mickey Mantle**. Although Beardslee never played with Mantle, he was a teammate of such later New York heroes as **Tony Kubak**, **Whitey Ford** and **Bill "Moose" Skowron**.

The aspiring young pitcher was one step from the big leagues when a back injury in the International League prematurely halted his career. His record in the Yankees' minor league chain was an impressive 62-24, including a 32-8 standard over his final two seasons.

When his playing days ended, Beardslee continued to lend talents to the game of baseball by conducting camps in Indiana and scouting for the **Pittsburgh Pirates** for nearly 20 years. Among the talents he came up with for the Pirates was **Dave Parker**, power hitting outfielder who paced Pittsburgh to a world championship in 1979.

TOUGH OUTS — Jaymie Stum (top left) of Ellitsburg West Perry, PA, established the national record hitting streak of 27 consecutive games during the 1980 season. During the stretch he fashioned a 42-for-82 showing for a sizzling .512 average. Keith Roy (lower left) had a dream day at the plate for Collinsville Canton, CT, in 1981 when he paced his school to a 17-8 victory over Torrington Oliver Wolcott Technical. He became one of 13 prep players to record six hits in a contest. Adam Scales (right) of Adairville, KY, put on one of the most awesome run-producing displays in prep history in 1981. In leading Adairville to a 10-5 win over Todd County Central, Scales registered back-to-back grand slam homers in the opening two innings of the contest. He finished the game with a three-for-four performance that included 10 RBI while figuring in all of Adairville's scores.

Andy Wakefield (right), the strapping blond bomber from Beckley Woodrow Wilson, West Virginia, hit a home run in nine consecutive games in 1977 to establish a remarkable power record. Pat Borders (lower left) of Lake Wells, FL, completed his high school career last year having accumulated 119 RBI. In 1981 he placed his name among the most proficient home run hitters in prep history by collecting 14.

GOOSE EGGS — Houston Astros' righthander James Rodney (J. R.) Richard was the first prep to be listed in both the hitting and pitching sections of the *National High School Sports Record Book*. The righthanded strikeout artist did not allow an earned run in 1969, his final year at Ruston Lincoln High School. Just as imposing at the plate, he is one of only seven preps to hit four or more home runs in one game, turning the feat against Jonesboro Jackson in a 48-0 rout. The performance also garnered him 10 RBIs, two short of the national all-time high. Kelly Owens (right) of Junction City, AR, was nearly untouchable while registering a 45-2 career record from 1979-81. He produced records of 10-1, 17-0 and 18-1 and established a national mark by chalking up 32 consecutive victories. His 24 shutouts are second only to the national best of 29 established by David Clyde.

BIG LEAGUE LEFTIES — Only one of seven high school pitchers to win 50 or more games in his career, Baltimore Orioles' ace **Scott McGregor** (left) continues to climb up the ladder of professional baseball success. McGregor was twice named California Interscholastic Federation-Southern Section Class AAA "Player-of-the-Year" while hurling for *El Segundo* in the early '70s. He posted a 51-6 career record and is listed in five national high school pitching categories. Former Arizona State star and big leaguer **Floyd Bannister** of the Seattle Mariners (right) didn't do too badly in high school either. Bannister had a career ERA of 0.56 while pitching for *Seattle Kennedy* in Washington State. He didn't allow an earned run in 1973. He posted 15 victories as a senior, earning the team's Most Valuable Player award for the third straight year while leading the Lancers to a state title.

THROWING STRIKES — Before establishing himself as one of the game's top major league pitchers, **Vida Blue** (left and top right) showcased his fastball at **Mansfield Desoto, LA**. The Louisiana lefthander once struck out 21 hitters in a seven-inning game. Righthander **Keith Creel** (lower right), now a teammate of Blue with the **Kansas City Royals**, ranks as the second-best strikeout artist in Texas behind prep pitching legend **David Clyde**. A product of **Duncanville, TX**, Creel collected 523 career strikeouts to rank sixth all-time and once fanned 26 hitters in a 15-inning game in 1977.

CHAMPIONSHIP FORM — In the 1960 Texas State Conference AAA baseball final, Seguin, behind the no-hit hurling of Chuck Hartenstein (top left), blanked Synder 3-0 for the coveted title. The smallish pitcher, known affectionately as "Twiggy" by his teammates, had stints with several major league clubs in his career, including the Chicago Cubs. In 1967, Los Angeles Dodger standout, Burt Hooton (right), led Corpus Christi King into the Texas Conference AAAA state final game by hurling a 2-0 no-hitter against Houston Lee in the semifinals. King went on to win the state crown, besting Abilene Cooper 1-0 in the final. Ken Holtzman (lower left) once pitched a no-hitter in the Missouri state semifinals for University City. University City, who beat Springfield Hillcrest 4-0 behind Holtzman, won the state title that year (1963), downing defending state champion Cape Girardeau Central 6-3 in the finale. Following his prep career Holtzman enjoyed a successful and lengthy big league career, touring with the Cubs on two occasions as well as the Oakland A's and New York Yankees during the two American League clubs' championship years in the 1970s.

A tradition of excellence

On Jan. 9, 1982, Centralia, IL, reached a mark that no other high school in the nation has attained. On that date Centralia basketball teams reached the pinnacle of 1,500 victories over their long and illustrious career.

Centralia defeated South Seven Conference rival West Frankfort 58-52, to reach the victory that gained national recognition. A certificate acknowledging the 1,500th win was handed out to all fans that attended the game, to show proof that they were in attendance when the Orphans reached that incredible mark.

To record 1,500 wins a team must have an average of 20 victories for 75 season. Centralia has averaged that for the past 75 seasons, since beginning a basketball program in 1906. In the 75 years of basketball Centralia has only had 11 different coaches.

THIS IS THE PLACE — A lot of basketball fans in Illinois have heard of Trout Gymnasium — the home of the Centrella (IL) Orphans — which opened in 1938. Not many have been there in person, but the 44-year-old structure is awesome to visiting players and offers that eerie sensation of history in the making to visiting fans

SIGN SAYS IT ALL — Orphan fans whoop it up at Trout Gym after Centrella, IL, became the first high school in the country to win 1,500 games. The Orphans did it Jan. 9, 1982, with a 58-52 decision over West Frankfort.

ALMOST POINTLESS — The 1928-29 Alliance, Ohio, basketball team left a touch of history for the state when it played rival Massillon in February 1929. Jim Battin (third from left, front row) scored the only field goal of the contest in a 3-2 victory over Massillon. Battin's field goal, a halfcourt desperation shot, was Alliance's only attempted field goal of the contest.

SCORING TRADITION — Hobbs, New Mexico, and coach Ralph Tasker have become basketball legends in the Southwest. The 1969-70 team (pictured above) averaged more than 115 points a game in rolling to a 26-1 record and capturing the state class AAAA title.

The 1979-80 campaign for **Bobby Joe Douglas** (right) of **Marion, LA**, was one to remember and one for the record book. Douglas scored at the rate of 54.0 points per game, best in the history of high school basketball. His best effort was a 93-point output in Marion's 116-44 triumph over Ouachita Christian when he poured in 54 second-half points and tallied 36 in the final quarter. The Marion scoring machine also scored over 70 points on four occasions, reached the 60s seven times and was above 50 points in 23 contests.

From little Crystal City to Congress

From a small city in Missouri to one of the highest ranking offices in the nation's government, United States Senator **Bill Bradley** (D-New Jersey) has pounded a few roads to get where he is today.

Bradley was born and raised in **Crystal City**, where he scored 3,068 points in his four-year high school career. Spanning 1957-61, Bradley scored at a 27.4 points-per-game clip through his 112-game high school stint. Playing for coach **Arvel Popp's** Hornets, Bradley amassed 404 points his freshman season, 672 as a sophomore, 946 as a junior, and closed out his sparkling career with 1,046.

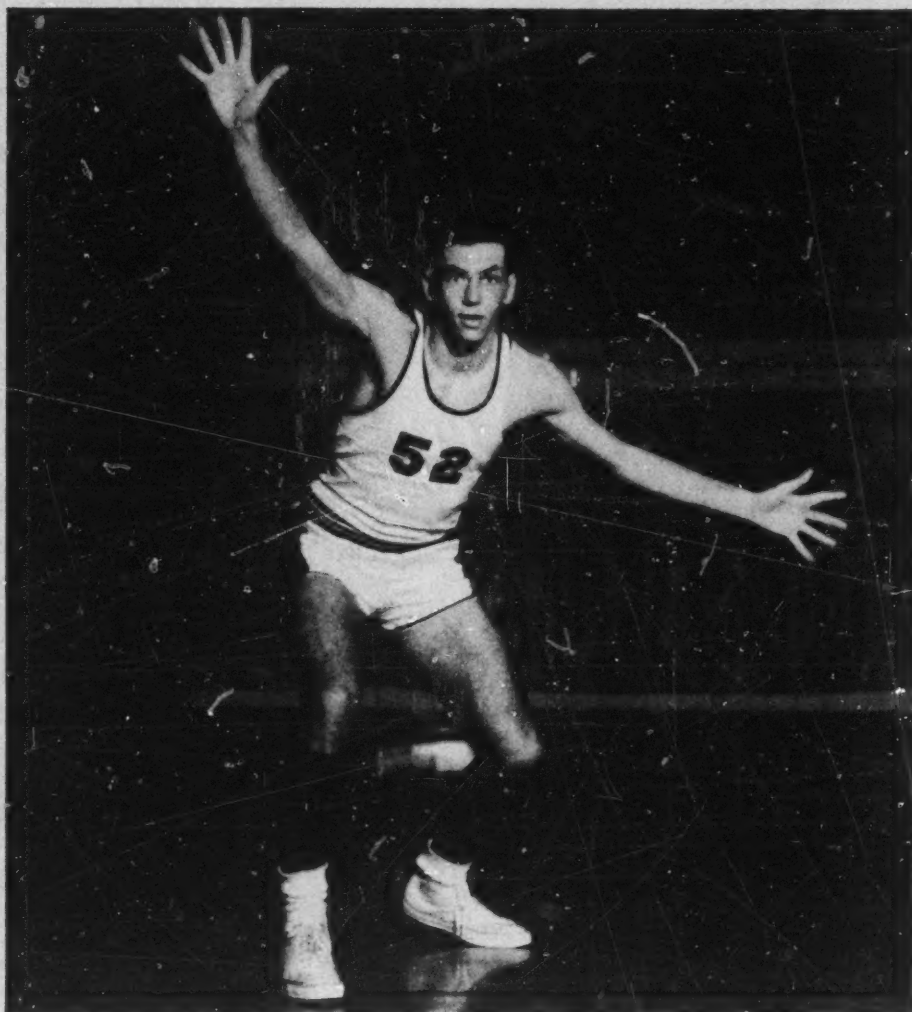

Bradley led the Hornets into the final four of the Missouri state tournament three times but the elusive title escaped Crystal City all three years. The Hornets finished fourth in his sophomore year, third when he was a junior and lost to St. Louis University in the finals 52-51 his senior year. Crystal City had beaten University previously that same year.

Bradley pumped in 20 or more points in 89 of his 112 high school games. Included were 12 games of 30 or more points, seven of 40 or more, and two of 50 or more.

Born in 1943 to banker Warren Bradley and wife Susan, the senator resided in Crystal City until he enrolled at Princeton University in New Jersey. There Bradley continued to excel on the hardwood and also gained recognition for his classroom achievements as well. He was named to an All-American squad twice and helped the United States team garner a gold medal in the 1964 Olympic Games.

After graduating a Rhodes Scholar in 1965, Bradley went overseas to Oxford for two years before returning home to play for the New York Knicks of the National Basketball Association (NBA). His illustrious 10-year pro career ended in 1977.

After earning All-America honors at Princeton he studied at Oxford before returning home to star for the New York Knicks (lower left) during their glory years of the 70s. Today (lower right) the former Rhodes Scholar serves the nation as a United States senator.

Official ^{For} The National Federation

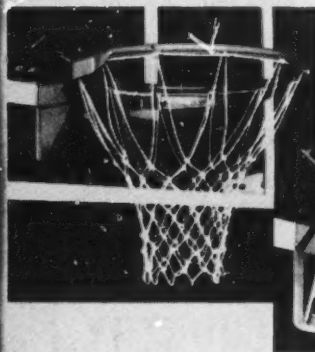

The Snap Back

(NBA/CBA Exclusive)

As the finest and most durable pressure release rim available, the Snap Back has proven it can handle the ultimate in high level action.

In the N.B.A. & C.B.A. this rim has excelled by eliminating bent rims and glass backboard breakage due to applied forces to the rim. This rim is highly recommended at the college level where a high degree of violence occurs around the goal.

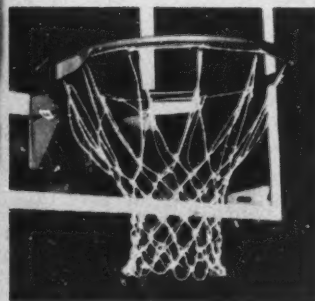

The precision positive lock device contained in the enclosed base makes the Snap Back the most consistent operating and safest pressure release rim available.

The Target

The Target rim is identical to the Snap Back rim in every way, except the positive lock device has been eliminated. The rim will flex under excessive loads and then return to its original position by means of a spring tension system contained in the enclosed base.

The Target rim is proving effective in preventing bent rims and shattered glass backboards at all levels of competition. As an official rim of the National Federation it is highly recommended for use at the high school level. This rim will stand up to the abrasive use on exterior playground goal supports for years without bending.

The Bull's Eye

FOR THE BUDGET MINDED PROGRAM

The Bull's Eye is identical to the Snap Back and Target rims in appearance, but lacks the pressure release features. This rim is ideal for use where bent rims are the problem and backboard protection is not needed. It is suggested as the affordable lookalike.

Safety First

Along with the totally inclosed pressure release mechanisms, all of Toss Back's rims come equipped with the SAFE-T-TIE net attachment. This reduces the chances of net hang-ups and finger bang-ups.

PERENNIAL CHAMPS — Shown above is the 1980 edition of the Glasgow, MT, cross country team which ran away with an eighth consecutive Montana team championship. Although Glasgow's string was snapped a year ago, the eight titles stand as the nation's best for both consecutive and all-time girls championships. The longest active state championship streaks now belong to Nashville Harpeth Hall which has run away with six consecutive Tennessee titles and Irmo, SC, the owner of five straight state crowns.

PACE SETTERS — *Betty Jo Springs* (left) became the only girl to capture four state cross country titles when she won the 1978 Class AAA championship. *Eryn Forbes* (right) provided Beaverton Sunset with three Oregon Class AAA title, winning state crowns in 1975, 1976 and 1978.

BIG WINNERS — Brenda Falash (left) won three consecutive Idaho cross country titles during her career at Twin Falls. She was also a three-year basketball standout and valedictorian of her 1977, 375-member class. Now a senior, current Alabama champion Lisa Savell of Mobile Wright has sights set on sweeping four consecutive titles. Although the National High School Sports Record

Book does not recognize high school performances beyond a four-year career, Savell's impressive credentials actually include five titles dating back to state meet competition as a junior high student. Last year she also paced Wright to state indoor and outdoor track championships by winning the mile and two-mile events in both meets.

A family affair . . .

When Scott Cornwell of Parkton Hereford captured a Maryland state cross country title in 1970, one of the most remarkable family accomplishments in prep history was underway. Brother Greg matched Scott's accomplishment by winning the state championship in 1971 and then younger brother David topped them both by winning three consecutive state crowns. After dominating state competition from 1970-74, the Cornwell family briefly loosened their hold on the field until 1977 when John became the fourth and final member of the family to capture state championship honors.

AHEAD OF THE CROWD — One of only three performers to ever win four state championships, **Mark Johnson** (left) of **Mason City** swept Iowa individual honors from 1969-72. He is joined on the prestigious list by **Jerry Garcia** of **Northern Normal El Rito**, who won New Mexico crowns in 1962-65, and recent addition **Fernandel Omaesoo** of **Browning**, the individual Montana winner from 1977-80. **Andy Montanez** (right) captured three consecutive Colorado Division II crowns for **Rocky Ford** in 1974, 1975 and '76.

An Exeter special team

In the East, field hockey is played hard and tough. It's been a mainstay for a long time. Few play it harder or tougher than **Exeter, New Hampshire**.

Its reign is marked with 11 undefeated seasons. It won 28 straight at one point and put together undefeated strings of 57 and 46 games.

Exeter is synonymous with good field hockey. The New Hampshire school holds three national records including best scoring average per game for one season (5.75) and most consecutive shutouts (19). Twice Exeter has averaged over five goals a game, including the 1956 national mark when it drove home 48 goals in just eight games.

Sandra Moore played at Exeter from 1962-65, helping fashion a 27-5-4 mark during those four years. Moore coached at Exeter from 1970 through 1978 before becoming head field hockey coach at Washington State University.

Sharon DeHart took over the tradition in 1979, guiding the team to a 9-3-4 record with a school-record ten shutouts her first year and a 9-1-4 mark in 1980 while directing the school to second place in the New Hampshire Class AA state race. Last year the school finished 7-2-2, moving its all-time record to 202-37-35.

MDV uses '70s to produce countless marks

No less outstanding than the Exeter High School tradition is the tradition of excellence at **Delaware Valley** in Milford, Pennsylvania. It's just a shorter tradition.

During the decade of the 1970s, MDV won 105 games, while losing only 19 and tying four. From 1975 through 1979, MDV posted 86 wins, four losses and one tie.

The 1978 squad went undefeated in 22 games and won the Pennsylvania Interscholastic Athletic Association state field hockey championship. The 1979 squad won 17 games before losing in the PIAAA state tourney, producing a 39-game winning streak over 1978 and 1979 that moved MDV well ahead of Exeter's 28-game streak and into second place in prep field hockey history.

MDV holds five of the top 10 places for most goals scored in a season. The 1978 total of 123 goals is tops, and the 1976 total of 103 goals is second best ever.

Its 1976 scoring average of 5.72 goals per games ranks just behind Exeter's national mark of 5.75 goals per game for the 1956 season. MDV also holds the third place spot for its 1978 pace of 5.59 goals per game.

MDV's successful tradition is steeped in defense. It dominates the lists of team shutouts and its two outstanding goalies during the past six seasons — **Anita Emery** and **Both Case** — dominate the individual records for goalies.

Emery posted 42 shutouts in three seasons and Case had 32 shutouts in two seasons. Case allowed six goals during MDV's 1978 championship campaign and only two goals during its 18-game season in 1979.

Carleen McAllister and **Jill Ridley** were the offensive stars for MDV during the late 1970s. McAllister scored 86 goals during her three-year career (1974-79). Ridley scored 78 goals in two years (1977-78).

STAR GOALIES — Anita Emery (above) of Milford Delaware Valley, Pennsylvania, was nothing short of spectacular in her three-year career. Emery collected 42 shutouts, including 17 in 1976 and 15 in 1977. Her goals against average for her 51 high school games was a stunning 0.22, allowing only 11 goals, as the squad piled up a 47-3-1 record. Continuing in this fine tradition during 1978 was Beth Case (below) who allowed only 6 goals during a 17-game regular season for MDV. She gave up only one goal — on a penalty stroke — during six district and state tournament games, leading MDV to a 22-0 record and the state crown. She had 17 shutouts, tying Emery's 1976 record. In 1979, Case had 15 shutouts and allowed only two goals all season as MDV posted a 17-1 record for the season.

FLORIDA FIREPOWER — Two of the finest pure passers in high school history displayed their talents at the same school — **Tallahassee Leon (FL)** — and then went on to enjoy success as teammates at Florida State University where they shared quarterback chores in leading the Seminoles into the national spotlight. **Wally Woodham** (left) paced Tallahassee Leon's passing attack in 1974 by throwing for 3,571 yards — then a national record — on the strength of 248 completions, the third best mark ever. The following year **Jimmy Jordan** (right) shattered Woodham's records, becoming the only player to pass for over 4,000 yards (4,098) in a season while also establishing national season records for attempts (471) and completions (263).

QUARTERBACK DELUXE — The most accurate passer in high school football history, Pat Haden (above) teamed with end John McKay, Jr., in giving La Puente Bishop Amat, CA, perhaps the most devastating combination ever. Hayden completed 62.0 percent of his passes from 1968-70 and threw for 82 touchdowns, and in 1969 set national standards for both percentage (67.9) and TDs (42). He and Los Angeles Wilson, CA, standout Ron Cuccia are the only two prep quarterbacks to toss for more than 7,000 yards and complete 500 or more passes during their careers. A Rhodes Scholar, Haden joined McKay at Southern California where they formed one of collegiate football's top tandems and then later became a star for the Los Angeles Rams.

PUTTING POINTS ON THE SCOREBOARD — Long before he became famous wearing the pinstripes of the New York Yankees, Don Gullett (left) excelled on Kentucky football fields. The former big league pitcher once scores 72 points in a game, turning the trick for South Shore (KY) McKell in 1968. Mike Atkinson (top right) earned recognition as one of prep football's greatest rushers while at Princeton, NC. Now a standout sophomore at Duke, Atkinson had a nose for paydirt, scoring 672 points and crossing the goal line 98 times from 1977-80. Jamie Clodfelter (bottom right) of McClave, CO, set a national mark by kicking five field goals in a game in 1979. He was successful from distances of 19, 25, 30, 35 and 40 yards.

PUTTING RIGHT FOOT FORWARD — Adding his name to the growing list of long range field goal kickers in 1980 was **Kurt Baal** of **Denver (CO) Lutheran**. Baal logged the second longest field goal ever, only one yard shy of the national mark shared by **Russell Wheatley** of **Odessa Permian, TX**, and **Kelly Imhoff** of **Kent, WA.**, by connecting on a 61-yarder against Machebeuf. The boot came with only three seconds remaining in the game and provided Lutheran a thrilling 13-12 triumph.

LONG DISTANCE — It should have been Tony Franklin's middle name. The soccer-style kicker from Fort Worth, TX, who has performed so well for the Philadelphia Eagles, set 18 NCAA kicking records and narrowly missed two other career marks. Included in the list of accolades are several distance marks.

Franklin holds the college record for most field goals made in one game of over 60 yards, kicking a 64- and a 65-yarder against Baylor in 1976 while attending Texas A & M. The 5-foot-10, 180-pounder, a graduate of Arlington Heights High School in Fort Worth, booted a 58-yarder for the Yellow Jackets in 1974. The kick ties him for ninth on the all-time national list for longest field goal in high school competition.

SOONER STANDOUTS — Who wouldn't coach a college football team with the nation's second and fourth ranked career high school rushers on it? Barry Switzer at Oklahoma sure didn't complain. The Sooner head coach had a backfield that totaled over 15,300 yards combined as preps. Billy Sims (left) is number two all-time with 7,738 for Hooks, TX, while David Overstreet (right) logged 7,652 for Big Sandy, TX. Both have gone on to outstanding professional careers, Sims as an all-pro for the Detroit Lions and Overstreet as one of the Canadian Football League's top stars. Sims, the 1978 Hiesman Trophy winner, is one of only two prep running backs to be listed twice in the top 10 in most yards rushing for a season, gaining 3,080 in 1973 and 2,885 in 1974. The legendary Ken Hall of Sugar Land, TX, is the only other high schooler to accomplish the feat.

Moyer's strong senior campaign jumped him into the national rankings in both career attempts (740) and completions (353). **Gary Kublak** (bottom right) is one of only 10 prep passers to gain more than 5,000 yards passing in his high school career. CALIFORNIA CROWD PLEASERS — The favorite receiver of quarterback Pat Hayden at La Puente Bishop Amat (CA), John McKay, Jr. (left), shown here playing for Southern Cal, holds three national records and ranks second in five other departments. McKay concluded his prep career with 207 receptions for 3,389 yards and 48 touchdowns before moving on to USC where he once again joined Hayden in taking the Trojans to national prominence. McKay went on to play for father John McKay, Sr., at Tampa Bay of the NFL. Steve Martinez (top right) earned a prominent place in the record book by joining with quarterback Ron Cuccia to give Los Angeles Wilson (CA) one of the most prolific passing-receiving tandems in prep history. Martinez established four national marks during his career including standards for most pass receptions (121) and yards receiving (1,846) during 1977. Joe Virgil (bottom right) of LaVerne Damien, CA, caught 17 touchdown passes in 1979 to raise his career total to 29 and build a reputation as one of the game's most exciting receivers.

Prep stars scoring big in pro ranks

While none of the three-time state champs has made a big hit in professional golf, some of the present PGA stars did enjoy noteworthy success on the high school level. For example —

Jack Nicklaus, considered by many to be the best professional golfer of all time, left his mark not only in the college ranks at Ohio State but also on the high school level while at Columbus Upper Arlington, Ohio. The "Golden Bear," winner of virtually every major professional title, led the Golden Bears (believe it or not) to the state championship crown in 1956 while scoring the second lowest 36-hole total in the state's high school championship series. The blond bomber stroked a masterful 144 in pacing Arlington to one of its nine championship titles. Nicklaus' 148 in 1957, though good enough for his second championship, wasn't enough for Arlington to overcome Cincinnati St. Xavier.

Tom Kite and **Ben Crenshaw** combined to hold on to the Texas Conference Class AAAA crown for four straight years. Kite, playing for **Austin McCallum**, scored championship rounds in 1967 and '68 before Crenshaw took up the reins, winning individual titles for rival **Austin High School** in 1969 and '70.

Andy North, the 1978 United States Open champion, captured a pair of high school crowns in Wisconsin. The **Monona** star shot a 152 in winning the 1966 title and a sparkling 143 in garnering the '67 crown.

ALL-TIME GREATS — Touring Professional Golfers Association (PGA) player **Craig Stadler** (left) was an outstanding prep golfer in California long before he burst on the professional scene with a string of major victories in the 1980s. The **La Jolla, California**, graduate shot a blistering 141 total over 36 holes to capture the California Interscholastic Federation Four-Section championship in 1971. PGA legend **Billy Casper** (right) found winning at the prep level almost as much of a challenge as winning at the pro level. Casper, while attending **Chula Vista High School** in California, won the CIF-Southern Section championship only once in three tries. The 1949 champ, winner of a sudden-death playoff, finished second his other two attempts.

TOP RUNG — Winner of 16 individual state titles, Eugene Churchill, OR, graduate Jim Kelch (left) performs on the rings during the 1973 state championships. The former Lancer won three state all-around titles, twice leading Churchill to state team championship honors. Kelch won the 1972-73 title in March of 1973, won the 1973 fall title later that year (Oregon switched from a winter to a fall season), and ended his career with the 1974 title. Kelch swept all seven individual events (including all-around) in his sparkling 1973 fall performance. One of only six boys to ever win three all-around gymnastics titles, Jim Hartung (right), formerly of Omaha South, NE, led South to three straight Nebraska state titles while winning 18 individual event championships, including the three all-around titles.

OFFENSIVE STARS — Kim Wagner (left) of Wauzeka, WI, closed out an outstanding career in 1981 by moving into several national offensive rankings. Nabbed only once in four seasons on the basepaths, she ranks third all-time in stolen bases with 119, including 36 her season year. Her speed was only one of Wauzeka's offensive weapons as her consistent bat produced a .603 career average and 98 RBI, the sixth best mark ever recorded. A mainstay of the El Centro Central Union, CA, powerhouse, Jill Bennett (right) owns the national standard for doubles in a season with 12, setting the mark in 1980. Teammate Sally Kitter holds the career doubles record with 28 and is second all-time with 127 career hits.

MOWING 'EM DOWN — Although just a junior last spring, Julie Bolduc (left) of Southington, CT, has already established herself among the top pitchers in softball history. Last spring she fashioned a sparkling 22-1 record and near-perfect 0.24 ERA that was highlighted by one of the most remarkable strings of scoreless pitching ever. She established a national record by tossing 16 shutouts during the year, including seven consecutive whitewashes on two occasions. Over one 17-game span she turned in 128.3 innings without allowing an earned run, the best showing ever recorded. On the year, the righthander registered three no-hitters and nine two-hitters while allowing only 56 hits over 174 innings. Sue Rice (right) was the Massachusetts Softball "Player-of-the-Year" in 1978. The Newburyport righthander is in a tie for ninth nationally for most wins in a high school career (44) and lost only nine games in four years.

BIG SPLASHES — Two of the most dynamic performers to hit the high school swimming scene, Cynthia Woodhead (left) and Marybeth Linzmeier (right) teamed up at Mission Viejo, CA. Woodhead holds the national record in two events, covering the 200-yard distance with a freestyle record of 1:45.980 in '82 after establishing the 200-yard individual medley standard of 2:02.06 in 1979. Linzmeier, who held the 200-yard freestyle best prior to Woodhead's outstanding clocking, owns a national best of 4:41.30 in the 500-yard freestyle event and was a member of Mission Viejo's national record 3:28.91 400-yard freestyle relay unit.

ONE OF A KIND — **JILL STERKEL** of **Hacienda Heights Wilson, CA**, set four national records in 1979, two of which still stand. She is the only girl to ever go under 23 seconds in the 50-yard freestyle and also owns times under 50 seconds in the 100-yard freestyle and under 55 seconds in the 100-yard butterfly.

JAEGERS DOMINATE ILLINOIS TENNIS — Susy Jaeger (right), of Prairie View Stevenson, bares down in Illinois state final action. In 1978 Jaeger became the second girl in the state's seven-year girls tournament history to win three singles titles. She could have become the second Illinois prep and only the sixth girl nationally to win four singles titles, but was upset by Hinsdale Central's Susan Whitney in the semifinals of the 1979 tourney. Freshman sister Andrea Jaeger defeated Whitney, 6-3, 6-0 in the finals; so the 1979 championship trophy stayed in the same family. Andrea repeated as state champ in 1980 and then went on to dazzle the world at Wimbledon, where she became the youngest player ever to reach the semi-finals. Also runner-up in the 1980 U.S. Clay Court championships, she has rapidly emerged as one of the top players on the international women's tennis scene.

TEXAS GREATS — **Beth Kothmann** (top left) of **Junction High**, captured Texas Class A state singles titles in her sophomore, junior and senior years, after winning the state doubles crown with Lorna McDonald as a freshman in 1964. Her brother, Greer, won four boys singles titles from 1958-61. **Brenda Cook** (top right) began a championship tradition at Junction by claiming four state championships in 1959-62, becoming the nation's second four-time champ. **Stephanie Letz** (bottom left) of **Old Glory** became the next Texas standout to win four successive singles titles by accomplishing the feat from 1964-67. **Pam Hill**, (bottom right) dominated the girls singles scene from 1975-78, winning four consecutive championships while at **Beaumont South Park**.

Riessen, a product of Hinsdale Central, IL, won high school state crowns from 1957-60 under the guidance of father-coach Claire Riessen. He later captured three Big Ten Conferences at Northwestern before making a big name for himself on the professional tour. AMONG THE BEST EVER — Leslie Deniz (top left) broke the national girls record in the discus by more than five feet with a 1979 throw of 167-1 and ranks second on the all-time chart. Cherl Williams (top right) of Livermore, CA, turned in the national girls two-mile record of 10:09.8 in 1978. Logging one of the most notable girls track performances in history, the San Bernardino San Geronimo, CA, mile-relay squad (bottom) posted a 3:44.89 time to claim the national record in 1979. The Spartan team consisted of four sisters — Arta, Sherri, Denean, and Mattina Howard. In addition, Sherri holds the national 440-yard dash and 200-meter dash records and Denean is the national 400-meter champion.

COACHING LEGEND — Earl F. Quigley guided Little Rock (now Central) to 18 consecutive Arkansas boys state track championships, every state meet held during the 20 years he coached there. His teams lost only two of 100 track meets. His football teams posted 149 wins, 56 losses and 11 ties (.609 percentage) and won eight state championships. His basketball teams won 306 games against only 95 losses (.763 percentage) and captured four state titles. His baseball teams went 207-37 (.848) and were state champs nine times. His overall coaching record of 760 wins, 190 losses, 11 ties (.791 percentage) and 39 state championships is one of the truly great records in all of sports.

*In all events where both the metric and British distances are listed together, the Honor Roll is in the metric measure, and the Progression of Records and the National Record are in the British measure. In this case, the national record time for the British distance performance is better than that recorded for the shorter metric distance performance.

WORLD CLASS — World-class sprinter Houston McTear (top left) holds the boys national high school record in the 100-yard dash with a 9.0 clocking. McTear prepped at Baker, FL. Michael Carter (top right) of Dallas Jefferson, TX, holds the boys national record in the shot put with a 77-0 heave in 1979. Another world-class competitor, hurdler Renaldo Nehemiah (bottom), formerly of Scotch Plains-Fanwood, NJ, holds the boys national record in the 120-yard high hurdles.

Wichita East and University of Kansas star Jim Ryun (top right) is holder of one of the oldest boys track and field marks remaining, clocking a 3:58.3 mile in 1935. Standing the test of time

Although several new records have been added to the boys track and field section in recent years, several outstanding performances have withstood challenges year after year. The oldest boys high school mark belongs to a trio of hurdlers — **Steve Caminitl**, **Don Castronovo** and **Earl McCullough** — who all established the 180-yard low hurdles standard of 18.1 in 1964.

Other records established in the 60s and early 70s that still stand include **Pleasant Hill, OR**, product **Russ Francis** who tossed the javelin 254-11 in 1971 prior to going on to star as one of the NFL's premier tight ends. Distance greats **Jim Ryun** of **Wichita (KS) East** and **Steve Prefontaine** of **Coos Bay Marshfield, OR**, also own all-time high school bests. Ryun, the only sub-four minute miler in prep history, recorded a 3:56.3 in his specialty while Prefontaine covered the two-mile distance in a record 8:41.5. **Richard Joyce** at **Whittier Sierra, CA**, owns another of the oldest marks in the books, having covered 880 yards in 1:48.8 in 1965.

ALL-TIME CHAMPS — The 1979 Safford volleyball team completed a national record performance by capturing its 12th consecutive Arizona state championship. The string of state titles also ranks as the top all-time standard.

BIG WINNERS — Farmington High School (above) has won seven Connecticut small girls volleyball championships to rank third on the all-time title list. During a stretch from 1965-74 the school wired together 73 consecutive match wins for the seventh best showing in history. Shown above is the '79 squad which added a seventh state title to Farmington's trophy display. Cardinal Gibbons of Fort Lauderdale (below) earned a top ten ranking for both all-time and consecutive state championships by recording five straight Florida Class AAA titles from 1975-79. The school won 54 straight matches during the 1976 and '77 seasons. The '79 championship team squad is pictured.

ALL-TIME BEST — One of six teams to register 100 or more consecutive dual meet victories, Elma Iroquois Central, NY, heads the list with 150. The Chiefs, who set the national mark under the direction of two coaches, were left in tears when the streak ended in January 1967, after 11 years of winning. Iroquois Central dedicated its record-breaking 141st win to former coach Norm Foster, who had directed the first 129 victories of the streak. Coach Duane "Pat" Patterson (second row, far left) headed the final 21 wins.

GRAPPLING WITH SUCCESS — Considered among the most successful high school wrestling coaches, Mike Milkovich of Maple Heights, OH (left), retired in 1976 with 256 career dual meet victories under his belt. The respected mentor also directed 10 state championship teams and 102 consecutive dual meet wins. Robert Smith (right) of Wray, CO, has recorded 240 victories over the past 15 seasons to earn the distinction of being the winningest active wrestling coach.

PERFECTION — Of the six times a perfect 72 has been scored in a dual meet, Conyers Rockdale County, GA, (top) holds the distinction of turning the trick twice. War Big Creek, WV, (middle) scored a perfect 12 pins in 1974 and Lynchburg Brookville, VA, (bottom) logged their record performance in 1981.

SPECIAL ACCOMPLISHMENTS — Ben Williams (left) of Ketchikan, AK, and Doug Duell (right) of Goodland, KS, both own unique wrestling accomplishments. Williams owns a fastest fall record of 5 seconds, setting the mark for the 123-pound class a year ago. Duell racked up 87 consecutive wins on the way to becoming the first four-time state champ in Kansas history, winning titles in four different classes from 1972-75.

SPORTS SURVEY

Sports Participation Survey for 1982 Reflects Scope of Interscholastic Athletics

With the refinement of research techniques and statistical information, the "1982 Sports Participation Survey" conducted by the National Federation of State High School Associations pinpoints the scope of interscholastic athletic programs across the nation in a more accurate and detailed manner than ever before.

The in-depth survey measures boys and girls participation in athletic programs sponsored during the 1981-82 school year by approximately 18,000 high schools in the United States belonging to the National Federation's member state associations. The National Federation's annual participation report represents approximately 89 percent of the nation's public and private high schools.

Although this year's report reflects an overall decrease in total sports participation, much of the decline can be attributed to more sophisticated research submitted by member state associations. Magnifying the decline in many cases are significant corrections of estimations used in previous years.

"Certainly everyone involved with interscholastic athletics is concerned with healthy growth and the figures reflected in this year's survey could be somewhat discouraging to that goal if not put in proper perspective," said Brice Durbin, Executive Director of the National Federation. "To a great degree, what appears to be a decline in participation is simply an outgrowth of more accurate information.

"However, we also realize that decreasing enrollments and financial factors have influenced nationwide educational cutbacks which unfortunately often affect interscholastic athletic programs," continued Durbin. "The important facet of the survey is that as we more accurately detail participation, we will be in a better position in future years to determine national trends which increase and decrease athletic opportunities for girls and boys."

The survey for 1981-82 reflects a decline in the total interscholastic sports picture as well as slight drops in both boys and girls participation. Figures for male and female participants present one of the report's most significant comparisons. Boys participation declined for the fourth consecutive year since the study underwent extensive alterations in 1979, while girls participation declined in 1981-82 following a significant growth spurt the previous year.

In girls sports, basketball retained the lead as the number one participation sport (415,381) and was also the sport conducted by the largest number of high schools (17,089). Sports showing modest participation increases included tennis (4,400), golf (2,235) and fast pitch softball (1,268). Over 1,500 additional schools offered track and field for girls in 1981-82, making the sport easily the leader in that growth category. In terms of schools, other significant increases were recorded for cross country (537), basketball (494) and golf (287).

The most popular sport for boys in terms of participants was football, which accounted for 927,666 students representing interscholastic teams at nearly 15,000 schools. Boys basketball continued to be the sport played by the most number of schools, topping the list with 17,922 schools which included 538,670 players.

Soccer and wrestling were the sports showing the largest increases in male participation. Soccer enjoyed an increase of 11,791 participants while showing a rise of 284 school programs nationwide. Wrestling continued a steady increase with 11,078 more participants and 357 additional schools than in 1980-81.

1981-82	3,409,081	1981-82	1,810,671

In examining the survey an understanding of the methods by which the research was conducted is necessary. In 1979, the survey became annual and changes were made in the data collection system. Figures from junior high schools and Canadian schools, which had been included in surveys of the 1970s, were deleted and the totals were significantly lowered.

In addition, the survey methods have been refined each year since 1980 in an effort to present more accurate information. While some state associations submitted estimations in past years, virtually all states now base their responses on more precise student participant measures such as actual surveys and eligibility rosters. Consequently, the current 1981-82 survey represents more accurate information in attempting to evaluate the number of participants in interscholastic programs.

By way of review, boys participation started the decade of the 70s with 3.67 million participants (junior high school and high school), grew to 3.77 million

during the 1972-73 school year and topped off at 4.37 million during the 1977-78 year.

Girls participation during the 1970s began at 294,000 participants (junior high school and high school) during the 1970-71 school year, increased to 1.3 million during the 1974-75 year and peaked at 2.1 million in the 1977-78 year.

School enrollments and participation figures have generally declined correspondingly beginning in the 70s.

The National Federation's "1982 Sports Participation Survey" includes figures for both boys and girls in 32 different sports conducted by high schools belonging to member state associations in all 50 states and the District of Columbia. The survey breaks down the number of participants by state, sport and sex.

SCHOOL ACTIVITIES THE OTHER HALF OF EDUCATION

Celebrate National High School Activities Week
October 16 - 23, 1983

PHOTO AND MATERIAL CREDITS

The National Federation and the editor of the *National High School Sports Record Book* would like to thank sincerely all the many people and organizations which have made this book possible. To list everyone who has made a contribution to the *Record Book* would be impossible. Below is a modest attempt to credit photographers, photograph sources, main contributors of information used in photo captions and stories, and the newspapers and sportswriters who have contributed work to the book. To everyone not listed, a sincere apology. Your contribution, no matter how small, was just as important in making the fifth edition a success.

NOTE: Where only the name of the city, school, and state are mentioned, credit is to that high school.

Special Thanks To:

RECORD INFORMATION

RECOGNIZING THE BEST . . .

Applications are invited for all performances which might be considered for inclusion in the National High School Sports Record Book, whether as new national records or for listing among the top performances in a specific category.

Performances must be established in competition conducted in compliance with the eligibility rules of the state high school association involved and all National Federation playing rules for the sport, unless the National High School Records Committee judges the variance in rules does not significantly give advantage to the establishment of the record performance.

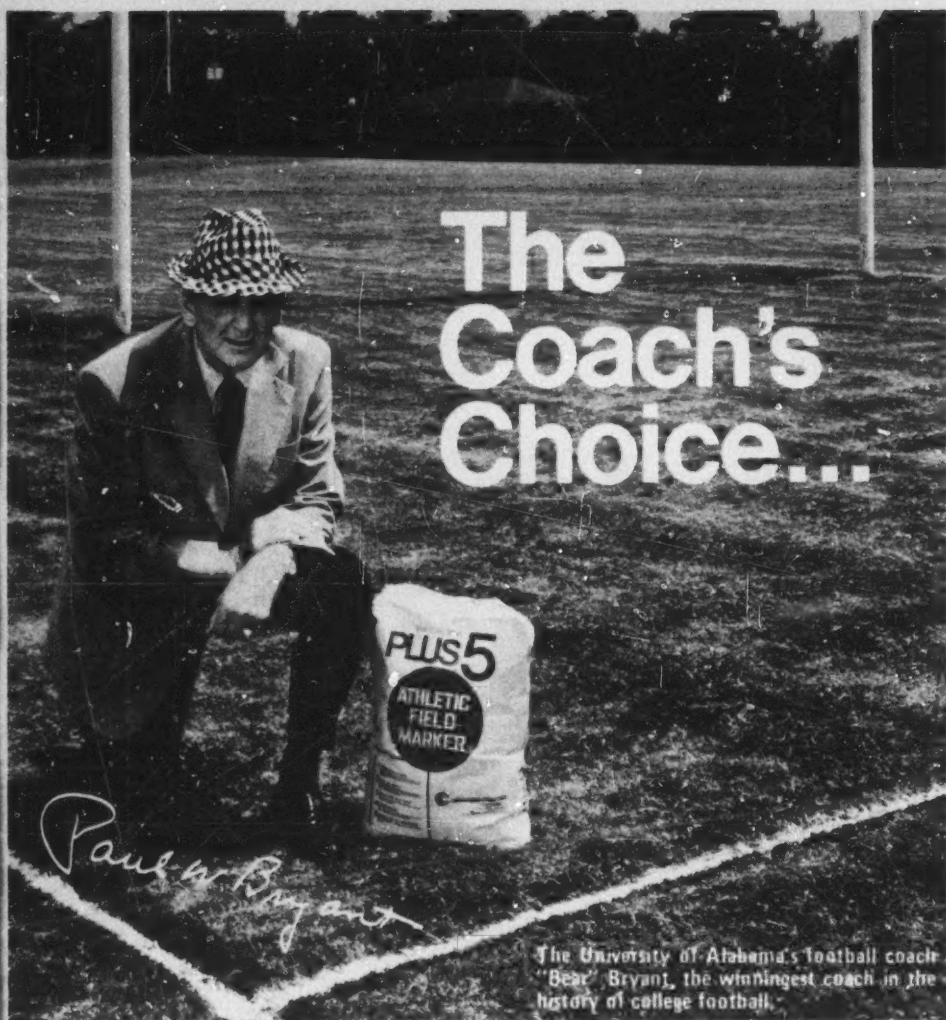

Applications are available through your state high school associations and the National Federation. Completed applications must be forwarded to the home state association for its endorsement prior to consideration by the National High School Records Committee.
